MERCHANTMEN UNDER SAIL

NAPOLEONIC RANGE – SHIPS AT ANCHOR

Ships at Anchor consist of bare hulls with a separate sprue of bowsprit, foremast, mainmast and mizzen all with loosely furled sails.

There is a large ensign provided as well as our standard base. You can also use these models to represent ships
In Ordinary (all masts and yards removed above the Tops) and In Hulk (all masts removed except the mainmast to the Top).
